FENCING WORKING BEE

There will be a working bee on September 18th to relocate the new fence between the soccer pitches and Perricoota Road. More people are needed, especially tradespeople to volunteer their time for this task. The working bee will start at about 7 - 7.30am and believe it will take about 4 hours to complete. We are also looking for a business who would be willing to donate the concrete to secure the fence posts. If you are able to help out on any way please contact Mark Hartley on 0418 321 693.

RETURNING SOCCER EQUIPMENT

We ask that all soccer tops, balls, cones and team clip boards be returned to your age group co-ordinator on this day to ensure we are able to take stock of our equipment for 2011.

PLANNING NIGHT - HAVE YOUR SAY

The Committee of Management wishes to invite you to a planning forum as the first step in developing a new Strategic Plan.

The Forum will be held on Monday Sept. 13th at 7.30pm at the St. Mary's Hall.

The aim of the forum is to assist the Committee to develop our strategic direction:

- What do the players want ?
- What programs should we offer?
- How should we prioritize programs?
- How do we balance competing interests?
- How do we connect our snr and jnr programs?
- How do we retain mid-late teen players?
- What junior programs should we prioritize?
- How do we raise funds for future clubrooms?
- How do we develop coaches and referees?
- How do we attract and retain volunteers?

If your child loves playing soccer with Moama-Echuca Border Raiders, what ideas do you have so that we can offer a varied program to children in the area?

- What is working well?
- What needs improvement?
- How do we achieve it?

The more people we can hear from, the more likely that our future plan will offer what your children want from the Association. So come along and enjoy some debate about our future direction
Supper will be provided.

COBRAM TOURNAMENT

We would like to field a team of seven U7 players for this tournament to be held in Cobram on Saturday 18th September. If you are interested in participating please contact Fiona Brown 0417 526 951
